

MAJOR ROADWORK

I-95 IN BALTIMORE CITY

@TheMDTA #i95bmore

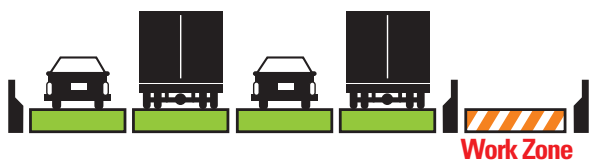

Changing traffic patterns through Fall 2015.

EXPECT MAJOR DELAYS or

Use I-695 or I-895 if traveling thru Baltimore City.

Southbound I-95

- On or about, **Sat. Aug 22**: Southbound I-95 traffic lanes will shift with all four lanes to the left of the work area between the Hanover St. on-ramp and Exit 53 (I-395). The on-ramp from Hanover St. to southbound I-95 remains closed 24/7 until late September. The detour route directs motorists from Hanover St. to East McComas St., to a u-turn onto West McComas St., to southbound I-95.

Northbound I-95

- As of **Wed. Aug 19**, all lanes on I-95 northbound are open. Motorists no longer have to use the Caton Ave. exit to access Exit 52 (Russell St.).

- On or about **Sat., August 1** for approx. 3 weeks: Southbound I-95 traffic lanes will shift with four lanes to the left of the work area from the I-395 exit to Caton Ave. The on ramp from Washington Blvd. to I-95 southbound will continue to be closed.

NOTE: All dates and times are approximate and dependent on weather or other work related variables.

Stay Alert So No One Gets Hurt!

- Seek alternate routes during peak travel periods (6-9 a.m.; 3-7 p.m.; Mon. - Fri.).
- Work-zone speed limits on northbound and southbound I-95 are reduced to **50 mph**.
